

JBC Nano Rework Station wins Best Exhibit Technology award

Our company returned from Nepcon South China with this renowned recognition

We are pleased to announce that the **SMTA China** has awarded our **NASE Nano Rework Station** the **Best Exhibit Technology of the Year 2017**. The award was presented to the company during a ceremony held at the Shenzhen Convention and Exhibition Center, during Nepcon South China show.

The SMTA China Recognition Program strives to **recognize and celebrate excellence in the electronics industry**, inspiring companies to achieve the highest technology standards and move the industry forward.
